

Expect 10,000 Spectators On Shrine Day

The Chain O' Lakes Shrine Club held their first Ladies' and Charter Night Dinner Dance at the Wing 'n' Pin club last Wednesday night, June 24.

William M. Weisenborn, Loon Lake, Potentate of Medinah Temple, and Mrs. Weisenborn were presented and introduced to the members of the newly formed chapter.

August 22 will be Shrine Day in Antioch, with numerous local organizations joining with Shrine marching units in a mammoth parade that is expected to last two hours. The parade will be divided into at least two sections, according to Parade Marshal John Horan, possibly three.

Mr. Horan says over 200 bulletins have been distributed to business places, civic, fraternal, and religious groups inviting them to participate in the parade or in other activities that will be scheduled throughout the day.

Committees have been selected to organize the events of the day, with Fred Walpole acting as chairman.

This will be the first time the famous Shrine units have paraded in Lake County, and mammoth crowds are expected to flood the village for the day. Both Mr. Walpole and Mr. Horan expect audiences of at least 10,000 to be present during the parade.

New Bridge On Rt. 21 At L. Villa

SPRINGFIELD, Ill., June 24—A public hearing to consider the reconstruction of a grade separation structure carrying Illinois Route 21 over the Soo Line R.R. and the reconstruction of approaches to it within the Village of Lake Villa in Lake County will be held at 10 a.m. Tuesday, July 14, in the Village Hall at Lake Villa.

Francis S. Lorenz, director of the Illinois Department of Public Works and Buildings said the general public is invited to attend and participate in the discussion. The improvement to be considered will begin approximately 0.21 mile south of the Soo Line Railroad and end approximately 0.84 mile north of the railroad.

The superstructure will be removed, additional spans will be added and the piers will be extended to accommodate a wide bridge deck. Substandard alignment on the northerly approach will also be eliminated.

Maps and plans for the improvement will be on display for public inspection prior to, during and following the hearing. Personnel of the Elgin District Highway office will be present to discuss matters relating to the improvement before and after the hearing.

S & L Reports Growth For 6 - Mo. Period

Fred Walpole, executive vice president of the Antioch Savings & Loan, has announced that the net savings increase at the S & L in the six-month period ending June 30 is \$1,020,000.00.

The increase in assets for the six-month period is in excess of \$1,100,000.00, Walpole said. The total resources of the institution are now in excess of \$8,700,000.00.

Walpole said that, coupled with reports of growth in other financial institutions in Antioch, the figures indicate the steady growth of business in the town.

The figures were compiled for the report for the 8th semi-annual dividend period of the Savings & Loan. Dividends paid to savers during the first six months are in excess of \$145,000.00.

Deep Lake Road To Get New Paving

New Blacktop paving will be installed on Deep Lake Road in the near future from Route 173 to Loon Lake Road. Work on the project will probably start in about two weeks, according to Mr. Brown of the Lake County Highway Department. Contract for the job was awarded to Peter Baker & Son Co., Lake Bluff, on a bid of \$80,352.00.

The re-paving will include 1.68 miles.

Burglary Attempt Foiled By Police

Sheriff Charles Larson said Wednesday that though he has some leads as to the identity of the men who attempted to burglarize the George Diamond Steak House early Monday morning, nothing definite has been established. He believes, he said, that at least four men were involved in the burglary attempt.

Antioch policemen Sergeant John Heick and Patrolman Harold Mason were the first to arrive at Diamond's after they were called when a burglar alarm connected to Diamond's went off at Police Chief Walter Scott's home.

Heick said the Antioch police were to stand by until Sheriff's deputies arrived. Because they have had some false alarms from the place, Patrolman approached the door and peered inside. He was greeted by several shots, and went back to the car to await re-inforcements.

Heick went to the back of the building to intercept anyone who might try to escape that way. A man ran out the back door, and Heick called to him to halt.

The man paused and said, "Don't shoot, I give up." Heick said, "I took a step toward him and he fired

three shots at me and ran into the swimming pool area," Heick said. "He was of medium build, wore dark clothing and had a white handkerchief over his face. It was too dark to see more from his voice, he was either a Negro or had a southern accent."

Heick said he fired back, and the man climbed over the swimming pool fence and disappeared.

At that time, Heick said, Sheriff Larson and his deputies arrived and took over.

Heick was standing near the corner of the building with County Patrolman Fred Elserman and another patrolman, when another man started to run out of the building. He was driven back into the building by shots from the men. No trace of him was found when they searched the building later.

Three George Diamond employees were sleeping in upstairs rooms at the club while the shooting went on. Douglas Thomas, 10, and Oris Statham, 19, said they were asleep and heard nothing. James Poole said he was awakened by the shots but stayed in his room because he was afraid he would get hit by one of the bullets.

Gala Events Fill Frontier Days

From space capsules to water fights, from a rodeo to lawnmower races, from a hootenanny to a car show. All these and more will be features of Libertyville's Sixth annual Frontier Days celebration next week, July 8 through 11.

The affair will begin at 9 p.m. Wednesday with the Torchlight and Queen's parade, an oldtime vigilante torchlight parade preceded by a Dixieland Band.

An entourage of the Frontier Days Queen candidates, with U. S. Marine escorts, will arrive in downtown Libertyville with the parade.

At 9:20 p.m. the queen contest will be held and judges will select one of the candidates to reign over the four-day festival.

All participants in Frontier Days will be garbed in Western apparel. Merchants will hang out the bargain signs and a festive atmosphere will invade the village.

One of the highlights will be a display of a Project Mercury space capsule, provided by the National Aeronautics and Space Administration.

It will be set up in the Giant Industrial Display tent in Cook Memorial Park on Milwaukee Avenue in downtown Libertyville.

Other features will be a national championship rodeo on the Butler Lake-Memorial Field rodeo grounds running Friday and Saturday at 8 p.m. and Sunday at 2 p.m.

Events on Thursday will include a Kiddies Costume parade at 11 a.m.; a push ball contest, pitting teams of Libertyville merchants and others against each other in an effort to push an inflated 5 foot ball across a muddy field; and at 8 p.m. an amateur talent show in Cook Park.

On the agenda for Friday are a bicycle parade at 11 a.m.; a country and western show from 8 to 10 p.m. in Cook Park, and a 10 p.m. fireworks display at Butler Lake Park.

On Saturday the celebration will come to a close with dozens of events including the giant Frontier Days parade, which is expected to be

the largest ever staged in Lake County.

Featured will be floats, horses and riders, marching bands, drum and bugle corps, drill teams, Indians, cannons, cowboys and others.

Saturday events include a lawnmower race at 11 a.m.; an antique car show from 11 a.m. to 1 p.m.; a butterfly class sailboat regatta at noon; a bagpipe band performance; an appearance by the Illinois Light Artillery Brigade; water fights; the rodeo; and a giant fireworks show concluding the program.

Camp Wonderland Starts Full Season

Two hundred needy youngsters and their mothers, from the Chicago area, will arrive at Camp Wonderland, the Salvation Army's summer camp near Antioch, on July 6.

The first group will spend nine days at the camp. Camp Wonderland will be host to 400 more children and mothers—200 at a time—in the period through August 1.

Golden agers will have their turn at the outdoor life beginning August 3, when 175 men and women who are 60 years of age and older arrive for an eight-day vacation. A second group will be at the camp from August 11 to August 18.

In the special wooded area known as Camp Shagbark, Boy Scouts, Girl Scouts, and young musicians will have camp periods throughout the summer.

Summer vacations for the needy have been offered by the Salvation Army since 1904. Guests are accepted on a basis of need for a vacation, without distinction as to color or religion.

P.O. Takes Bids

Roy Kufalk, Postmaster, announces that bids for servicing and maintenance of a government truck used for transportation of mails will be received for a period of ten days.

Forms for submitting the bids may be had by calling at the postoffice window.

Asks For B-2 Zoning On Fox River, R. 173

Nick Gargala, represented by Attorney Earl Wasneski, asked the County Zoning committee for B-2 zoning for about 17 acres of land on Route 173 just west of the Fox River at a hearing in the old Village Hall in Antioch Tuesday, June 30.

When the board objected to zoning such a large parcel of land B-2, which includes the privilege of serving alcoholic beverages, Mr. Gargala conceded that a portion of the land, designated as Parcel 1, could be B-1.

Gargala said he plans to construct a marina, boat storage facilities, swimming pool, restaurant, snack shop, bar, and 50-unit motel on the property. He had previously been refused the zoning after a hearing on March 2, because the board decided he would need more land for the construction he planned. Mr. Gargala has since acquired another piece of property adjacent to the original piece, on Route 173.

Roger Grunow of the Lake County Health Department said the Health Department disapproved of the petition, because Gargala planned to install a Walker Sewage Dis-

Gals to Try Hand At Water Fights

One of the attractions connected with the Legion Carnival Sunday afternoon will be the Antioch Women's Water Fighting team, competing with a team from another town.

The team is made up of wives, sisters, etc. of Antioch firemen. They fight with the same rules as the men's teams, except for shorter periods, smaller hose and less pressure. It's still pretty rough and the girls get well drenched, according to Shirley Gutowski, nozzle-girl on the Antioch team.

The Antioch team brought home a second-place trophy from a match at Round Lake last Saturday night. They defeated Lake Villa and Countryside teams, but succumbed to Fox Lake in the finals. There are eight ladies that are active on the team but some were unable to attend Saturday night. Those participating were Peggy Van Patten, Marge and Marie Vos, Barbara Diemer and Shirley Gutowski.

There are five women's water-fighting teams in Lake County, all affiliated with fire departments—Fox Lake, Round Lake, Countryside (near Mundelein), Lake Villa and Antioch.

Sunday afternoon in Antioch the women's teams will fight it out.

Local Beauties Vie For Title Of J. C. Queen

At least twelve of Antioch's loveliest will vie for the title of Miss Lake Region of 1964 in the Jaycees Beauty Contest this weekend.

The candidates will display their talents at the Antioch High School auditorium Friday night, July 3, at 8 p.m. The girls will also model formal and swim wear.

Five finalists will be selected Friday night. One of the five will be crowned Queen Saturday night at 7 p.m. at the village parking lot, in conjunction with the American Legion carnival.

Contestants up to last week included Joyce Hull, Miss Gibbs & Jensen; Sonya Elichok, Miss Antioch R.G.; Carolyn Lasco, Miss Weasel's Lounge; and Randi Jacobson, Miss Ace Hardware. Pictures of these girls were in last week's Antioch News.

Eight more girls have joined the contest—Julie Ann Nissen, Kathy Frazier, Betty Liddle, Joan Tanner, Sharon Baker, Marilyn Gail Bess, Patricia Wells and Cindy Brenna.

Patricia Wells, Rt. 3, Antioch, sponsored by Dee-Gee Lounge, is 20 yrs. old, 5' 2" tall, weighs 123 pounds. She's a 1961 graduate of Antioch High School. Her pageant talent act will be a pantomime.

Cindy Brenna, Rt. 1, Lake Villa, sponsored by Stringer Motors, is 18 years old, 5' 2" tall, and weighs 110 pounds. She graduated from Antioch High School in 1963 and is attending the University of Illinois. Her hobbies are swimming, skiing, drawing, dancing and piano. Her pageant talent will be "Music in Charcoal."

Marilyn Bess, 626 W. North Ave., Antioch, is sponsored by the Ben Franklin Store. She's 18 years old, 5' 7" tall and weighs 120 pounds. She's a 1964 graduate of New Trier High School. Her hobbies are art and horse-back riding. For Friday night's contest, she will do cartooning and display her oil paintings.

Sharon Baker, 2114 Sprucewood Lane, is sponsored by the State Bank of Antioch. She's 18 years old, 5' 3" tall, and weighs 111 pounds. She's a 1964 graduate of Antioch High School. Her hobbies are swimming and hair styling. Her talent act will be

a pantomime.

Joan Tanner, Rt. 5, Box 437, Antioch, is sponsored by John Teresi Motors. She's 16 years old, 5' 6 1/2" tall, and weighs 130 pounds. She will be a senior at Antioch High next year. Her hobbies are dramatics and choir. Her act Friday night will be a dramatic reading.

Betty Liddle, 318 Highway 173, is Miss Lorenz's Country House. She's 17 years old, 5' 8" tall, and weighs 130 pounds. She's a 1964 graduate of Antioch High School. Her hobbies are playing the clarinet, writing, painting and reading. Her talent act will be a clarinet solo.

Kathy Frazier, 1067 Sparford, is sponsored by Wilton Electric. She's 19 years old, 5' 5" tall, and weighs 128 pounds. She graduated from Antioch High in 1963. Her hobby is number painting, and she will sing Friday night.

Julie Ann Nissen, 397 First St., is sponsored by Antioch Excavators. She's 18 years old, 5' 3 1/2" tall, and weighs 105 pounds. She graduated in 1964 from Antioch High School. Her hobbies are sewing, sculpturing and cooking. For her act, she will model clothing she has made.

Judges for the Jaycee-sponsored Beauty Pageant are Mayor Murrill Cunningham, Edgar Simonsen, Ernie Westlund, Charles Larson and Agnes Van Patten.

The girls attended a dinner at Joe & Helen's Sunday night with the judges, Jaycee representatives and some of the sponsors. Representatives of sponsors present were Mr. and Mrs. Preston Rockers, State Bank; Nick Badame, Weasel's Lounge; Mr. and Mrs. Robert Wilton, Wilton Electric; Earl Stringer, Stringer Motors; and Mr. and Mrs. Victor Lubkeman, Antioch Excavators.

Suspends License

Secretary of State William H. Chamberlain has announced the following actions by the Drivers License Division of his office.

Licenses suspended following three violations include: James O. Doll, Sr., 271 Bridgewood Drive; Bob F.

Carnival wagons of the A-1 Amusement Co. arrived in town Monday, giving a hint of the festival feeling which will prevail in Antioch through 4th of July weekend as the American Legion opens its Annual Festival Tuesday night, with a variety of extra events sparking the entertainment.

The Jaycee Beauty Pageant will terminate with the selection of a Queen Saturday night at 7:00 p.m. at the Village parking lot, where the carnival will be located. Five finalists will be selected Friday night at the Antioch High School auditorium.

Ten fire departments will participate in water fights Sunday afternoon, July 5. The water fights will start at Lake & Broadway, with the 10 companies competing for first and second place trophies donated by Antioch American Legion Post No. 748.

Sunday afternoon is also the time when the Lions Club will be serving their now-famous chicken barbecue dinner. Serving will be from 11:30 a.m. Sunday until 5 p.m., or at any time thereafter that everyone has been served.

Just watching the assembly-line performance of Lions Club members as they roast hundreds of chickens at a time over barbecue pits is entertainment in itself.

Both the water fights and the chicken barbecue will be running concurrently with the Legion carnival, providing plenty of entertainment at all times.

The Jaycees Queen will also be present at the carnival Sunday afternoon.

The Legion committee in charge of the carnival are John L. Horan, chairman, Donald Gaston, Dr. George W. Jensen, William F. Chase and Commander George Ott.

Mint Moves to Fight Coin Shortage

The Treasury has announced an intensified program to double the nation's rate of coin production within a year and raise it by 75% during the next six months.

This increased production will be distributed among the present 5 denominations of coins in about the present ratios — roughly two-thirds pennies, one-fourth nickels and dimes, and the rest quarters and half dollars.

Steps already taken to expand current production of coins include the purchase of rolled nickel strip for the making of all 5-cent coins—thus freeing equipment for other production — and the inauguration of a continuous 7-day, 24-hour production schedule at the nation's two mints, in Denver and Philadelphia.

These actions will increase production for the coming fiscal year by 600 million coins, bringing total budgeted production up to some 5 billion coins.

First Service at New Baptist Church

Services will be held in the new Calvary Baptist Church at North Avenue and Parkway in Antioch for the first time next Sunday, July 5.

Pastor James Wallis said dedication services will be scheduled later.

Construction on the building was started about three months ago. The building is 80' x 35'. The first floor contains the auditorium. In the basement is a fellowship hall, five Sunday School rooms and a kitchen.

Flickinger, Rt. 5, Box 1; Paul R. Reichard, Rt. 1, Box 559, and Bennie Walker, Rt. 59 and Grass Lake Rd., all of Antioch.

Independence Day, 1964

Fourth of July weekend coming up—that's how we think of it. The Fourth falls on Saturday this year. If you're lucky, you'll get an extra day off.

This means that hordes of people can celebrate the anniversary of the birth of the U. S. by going from wherever they are to somewhere else. On the road, they will meet hordes of people coming from where they're going, going to where they're coming from.

The Fourth of July—Independence Day—used to be celebrated with parades, fireworks, flag-waving and patriotic speeches. Every community had its own observance because no one could travel very far. Those simple yokels—everybody was simple then—thrilled to the discordant music of the local band playing "Star Spangled Banner", listened to every word of an emotional, patriotic speech and applauded loudly at each burning statement of the virtues, the grandeur, the beauty of America, the land of the free and the home of the brave.

Not so, any more. Access to the best music has made us all critics of the rendition of any composition, even the Star Spangled Banner. We can't shoot off fireworks at home any more. And no one's going to spend much time listening to a political talk, unless it's going to vitally affect his pocketbook. We're sophisticated, now. We're almost sophisticated enough to compete with the older European civilizations.

We're sophisticated enough to make of Independence Day merely a holiday for indulging in whatever form of revelry suits our tastes; to listen to patriotic speeches with bored cynicism, if we must listen; to celebrate the Fourth of July—Independence Day—by killing more people on the highways and in the pursuit of pleasure than were killed in any war. And if we think, even once, next Saturday, why we're having a holiday, it will probably be because we're listening to a program on TV or radio which reminds us of the fact, or reading something about it in a paper.

Well, new days, new ways. The celebration of Independence Day is not what it used to be. The celebrations of those days were geared to the customs of the day. They were a product of those days.

Americans have never made a fetish of a show of reverence for government, nor tradition, nor anything built or established by man. The greatness of America was built on the principle that any American is more important than flags, or symbols, or government.

If today's customs are different, if patriotism seems at low ebb, if more and more people cry out that Americans are soft, and corrupt, and decadent, it is the voice of the very vocal few speaking of the noisy minority. Americans are dying daily in Viet Nam, at foreign bases, in American military hospitals. They're giving their lives for their country as willingly as did the men at Valley Forge. No man dies willingly.

And the great mass of Americans, in times of need, will do whatever needs to be done.

Along The Way with ANNIE MAE

Baked, boiled, broiled, fried and frazzled, that's the only apt description of this past week! Ol' Sol has given us everything he has, till we are ready to holler "uncle." Oh well we noticed the broad smiles on the faces of all the resort owners, and believe me they need every hour of sunshine they can get "in the good old summer time."

THE LATEST REPORT: Just heard via WKRS the Fox Lake Carnival is cancelled for the weekend of the Fourth. Seems that the crime commission is going to keep a hawk-eye on any form of gambling thereabouts. Funny how the big-timers continue to evade all investigators, while the civic organizations and their once-a-year fund raisers get stepped on

every time. Same old story, somebody has to pay. . . . About the time I was going to say, "where oh where has our Big John gone," up he popped yesterday again, with an armful of "Vote for Big John" buttons. Don't know what he's running for, or against either. . . . Were you one of the fortunate ones who got a glimpse of the (ahem) topos bathing suit in Ray Jensen's window last Wednesday? Wanta know why he removed it so quick? The demand overtook the supply! . . . You see he didn't intend to sell any, he just had one for a publicity gimmick. Boy, did it work!

NOTES TO YOU: Bouquets and more bouquets were handed out on both weekends to various members of the cast in "Nothing Ever Happens in This Town," and nary a dandelion for the director, Agnes Van Patten, who in our humble estimation deserves the finest verbal orchid we

Letters to the Editor

Antioch News
Antioch, Illinois
Attention: The Editor
Dear Sir:

We have just completed a most enjoyable and gratifying experience, which we felt the readers of your newspaper should all know about.

We had the honor of playing a part in the recent production of Mac Ryan's original musical "Nothing Ever Happens in This Town." We say "honor," because that is just what it was, to be able to work with a man of his many talents. We would like to thank Agnes Van Patten for her direction and help and without a doubt one of the greatest bunch of actors and actresses that has appeared on our own little theater stage. It was a lot of fun and of course, a lot of hard work, but the whole "gang" made it worth while. If we may be allowed to single out one person for a little extra praise, we would like to say "thanks a million" to Betty Beveroth, who made our part a real ball, spray can and all.

I know Mac, Agnes and everyone connected with the show would like to thank each and everyone of you who attended the production and gave us such support. It gives each and every one of us a tremendous feeling of pride to know that our efforts are appreciated by so many.

There are many more excellent shows coming up, which we are sure you won't want to miss. Be sure to catch them all, for we know you will enjoy them as much as the players enjoy doing them for you.

Thanks to a great community. . . .

Dear Sir:

While visiting a friend in Antioch last week I happened to look through The Antioch News. I was especially impressed by a letter to the editor.

Mr. Ferrier, the writer of this letter, should be applauded for taking the time to comment on the behavior of the majority of our teenagers today. It is a shame that more people don't take a little time to point out the good in these youngsters instead of the bad.

My best wishes to people like Mr. Ferrier.

Mrs. A. H. Burk

I wish to express my sincere gratitude to the Antioch News for the splendid co-operation I have received in their printing all the American Legion Auxiliary News. When the three judges (Mr. George Rinehart of Waukegan—a newspaper feature writer; Mrs. Robert Hansen, Publicity Chairman of the Gurnee American Legion Auxiliary; and Mrs. LaMont

could find, for a job very well done. . . . The red and white striped front on the Lyons and Ryan Ford sales-room adds a real bright spot to Main St. . . . Anybody know where the Hiawatha Pioneer Trail goes to—or comes from? Or haven't you noticed those new Highway signs?

THE LAST DROP: In case Mr. Skogsted, Jr. should happen to glance at this column again this week, I should like to answer his letter. Yes, as a matter of fact I did know that same car was behind Teresi's, and was even there the day we went to press with your story. Troubles we can do without so we won't even mention the reasons, but on my honor, I never intended any harm and that's why your name was omitted. . . . There hasn't been much publicity about the Jaycee Beauty Contest, but may I suggest now that you make it a point to view the final judging this Friday evening at the High School, and help give all these lovely gals a boost.

DID YOU HEAR: The stationmaster said to the perspiring and puffing commuter, "Did you miss your train?"

"No," the commuter said, "I didn't like the looks of it so I chased it out of the station."

Courthouse Notebook

BY LOU BURNIN

Demands by Lake County Republican Central Committee Chairman Robert J. Milton that Republican precinct committeemen support the entire GOP ticket in the November general election may be somewhat difficult to enforce.

Too many intra-party fights have opened too many wounds and party conventions still to be held hold out promise of more blood-letting within Republican ranks.

A substantial number of precinct committeemen in Lake County are dedicated to Arizona Sen. Barry Goldwater as the GOP President.

David of Antioch in the 10th District Publicity Press Book Contest decided to give Antioch Press Book second place, it was a happy day for this publicity chairman. Mundelein Unit won first place. All first and second place winning books are then entered into Department (state) competition. Since the Antioch Press Book was composed almost entirely of publicity from the Antioch News, whereas many of the other publicity chairmen had three or four newspapers available to them, this courtesy was doubly appreciated. Thank you very much.

Judge William M. Carroll, of McHenry County, is still in the fight for the Appellate post, but he just doesn't appear to have the horses to beat the Waukegan jurist.

Once the Appellate convention is out of the way attention will be turned to picking a successor for Judge Moran and to deciding the future fate of Circuit Judge Philip Yager.

Automobile Air-Conditioning

If you've ever watched a small aircraft taking off from an airfield you must have noticed the burst of speed as it left the ground. This process—known as becoming "airborne"—has become a part of our language for describing how products suddenly "catch on."

Air conditioning for cars is in just this stage today. This year for the first time, more units will be installed in cars than in homes.

Conditioning units started selling in a small way ten years ago. In 1957, only 2.8 percent of new cars were factory equipped. This jumped to 10 percent last year and will reach over 14 percent this year, an increase of 40 percent! The entire U. S. auto industry installed 757,311 units in 1962 and this year will easily top a million. A similar number of "hang on" units, added to cars later, will also be sold during the year.

The \$300 average cost of air conditioning a passenger car is money well spent in the opinion of owners now driving air conditioned cars. The obvious benefits of cool dry air in summer tend to catch

the public imagination, but drivers are just as enthusiastic about the even temperature, elimination of draughts and window fogging in winter.

If you are planning on buying a new car, it will pay you to look into air conditioning. The future popularity of this accessory will likely return a good portion of the investment back to you in higher resale value.

Initially in the race for the new opening.

A tipoff that Judge Yager may get the nod from both the Democratic and Republican conventions despite his Democratic allegiance is the in and out candidacy of Richard R. Balratow, of Waukegan.

Balratow, a law partner of Cong. Robert McClory, was circulating petitions a week ago, but reportedly has withdrawn.

This means that Singer and Associate Judge LaVerne Dixon could be the judicial convention antagonists.

If the convention develops into a dogfight there will be new antagonism built up in the GOP making Milton's job as peacemaker one of the less enviable political positions in the state.

Residents of Lake County's resort areas and particularly those in the resort and tavern business are finding it difficult to develop any real sympathy for the embarrassing situation in which some McHenry County officials find themselves as a result of Crime Commission investigations.

The liberal outlook towards gambling reportedly taken by McHenry county officials in the past has been a source of some envy and jealousy on the part of Lake County operators.

Lake County has been comparatively "closed" for more than a decade while slot machines and other fund-raising activities have been accepted as a way of life in the neighboring county.

Now that the Crime Commission has declared war on such activities the lake region operators cannot find it within themselves to become outraged.

The announcement that Sally Rand, of Chicago World's Fair fame, is the new attraction at The Key on old Skokie Rd., has been greeted with mixed reaction, but the most prevalent seems to be that such an ancient attraction should be highly popular in strong Goldwater territory.

Another long holiday weekend will be ushered in tomorrow which means that county, state, and local police will be exercising added effort to keep the traffic toll down.

Remember back when the Fourth of July meant fireworks, patriotic speeches, and big picnics instead of a box score of traffic deaths?

Instead of exploding firecrackers the sound which best typifies this national holiday today is the wail of sirens and the screams and moans of traffic accident victims.

Progress, as it has been noted before, isn't all beer and skittles.

Asks For.....

(Continued from page one) posal system. This would empty a treated effluent into the Fox River which though meeting sanitation standards, would be rich in nitrates and phosphates, he said, and promote the growth of already troublesome algae.

On questioning by the board chairman, Grunow recommended the installation of a septic tank and seepage system.

The property in question is on Route 173 on the west bank of the Fox River. Gargala said the plans include boat slips, storage for boats, a snack shop on the river, with a dining room and bar set back away from the river. A circular bar connected to the dining room would extend to service the snack shop. A 50-unit motel and swimming pool would be installed on the west edge of the property near Rt. 173.

Gargala said that if the zoning is secured the boat storage facilities will be installed immediately, the snack bar and bar next summer, and possibly the swimming pool, and the motel as soon as possible.

There were no objectors to the petition at the hearing. The zoning board said they would make their recommendation to the County Board at the July 14 meeting.

There is the story of the man who was given two ties for his birthday by his mother-in-law. When he appeared at her house wearing one of them, she greeted him with: "What's the matter?—didn't you like the other one?"

Your Congressman Reports....

By Cong. Robert McClory

Congressman Robert McClory reported from Washington today that the Senate Armed Services Committee has recommended funds for establishing Fifth Army Headquarters at Ft. Sheridan. According to Congressman McClory, the Senate figure of \$2 million will enable establishment of new headquarters to carry out earlier recommendations of the Department of Defense to transfer the Fifth Army Command site from the Old Chicago Beach Hotel on Chicago's South Side to the historic Ft. Sheridan military post.

This contemplated move is part of the overall Department of Defense economy program intended to save \$100 million annually through consolidation of military posts and elimination of unneeded properties and installations of the military forces. The transfer of Fifth Army Headquarters to Ft. Sheridan will reportedly save \$1½ million annually in the defense budget.

Congressman McClory, who testified before the Senate Committee, complimented Senator John Stennis, Chairman of the Military Construction Subcommittee of the Armed Services Committee, Senator Leverett Saltonstall, ranking minority member of the subcommittee, and Senator Everett M. Dirksen for their support in promoting this move.

In addition, Congressman McClory expressed appreciation for support from the newspapers, and from various Lake County officials, including Mayor Michael Cudahy of Lake Forest, Mayor Fred E. Giesler of Highland Park, Mayor Frantoni of Highwood, and William B. Douglas, City Manager of Lake Forest.

Binks was busily engaged with a spade in the mud beside his car when a stranger hailed him. "Stuck in the mud?" he asked.

"Oh no," explained Binks cheerfully. "My engine died and I'm digging a grave for it."

Mr. and Mrs. Kenneth Watson

Haase-Watson Wedding At Millburn Cong. Church

An afternoon wedding at the Millburn Congregational Church on Saturday, June 27, united Sharon Kay Haase and Kenneth Leon Watson, P. O. Box 71, Antioch, in marriage.

The bride is the daughter of Mr. and Mrs. Clarence Haase, 1091 S. Main St., Antioch. The groom is the son of Mr. and Mrs. Lloyd Watson, Pawnee, Ill.

The double ring service was performed by the Rev. L. H. Messersmith. The bride was given away by her father.

The bride's gown was fashioned with a white Chantilly lace bodice with sequins, a scalloped neckline and bridesmaid sleeves. The floor-length skirt was made up of ruffles of net and Chantilly lace. The shoulder-length veil was held by a crown of pearls. She carried a crescent bouquet of gladioli.

Judy Haase served her sister as maid of honor. Barbara

Haase, also a sister of the bride, and Dawn Hess were bridesmaids.

The maid of honor wore a floor-length gown of pink brocade taffeta and carried a colonial bouquet of pink carnations.

The bridesmaids wore gowns identical to the maid of honor, one in blue, one in pink, and carried matching flowers.

David Watson, brother of the groom, was best man. Robert Binkley and Larry Jesse were ushers.

A reception was held at the American Legion Hall, with Patricia Behlke, Mrs. Link, Mrs. Johnson, Miss Brightman and Corrine Clark serving as hostesses. The couple left on a honeymoon trip to Park Falls. They will be at home at P. O. Box 71, Antioch.

The bride is a graduate of Antioch High School, the groom of Pawnee High School.

Mrs. Thomas Roy Anderson

Couple Take Vows In June Wedding

Peace Lutheran Church in Wilmet was the scene of the wedding last Saturday, June 20, of Lorelei Ann Stefan, Trevor, and Thomas Roy Anderson, Antioch.

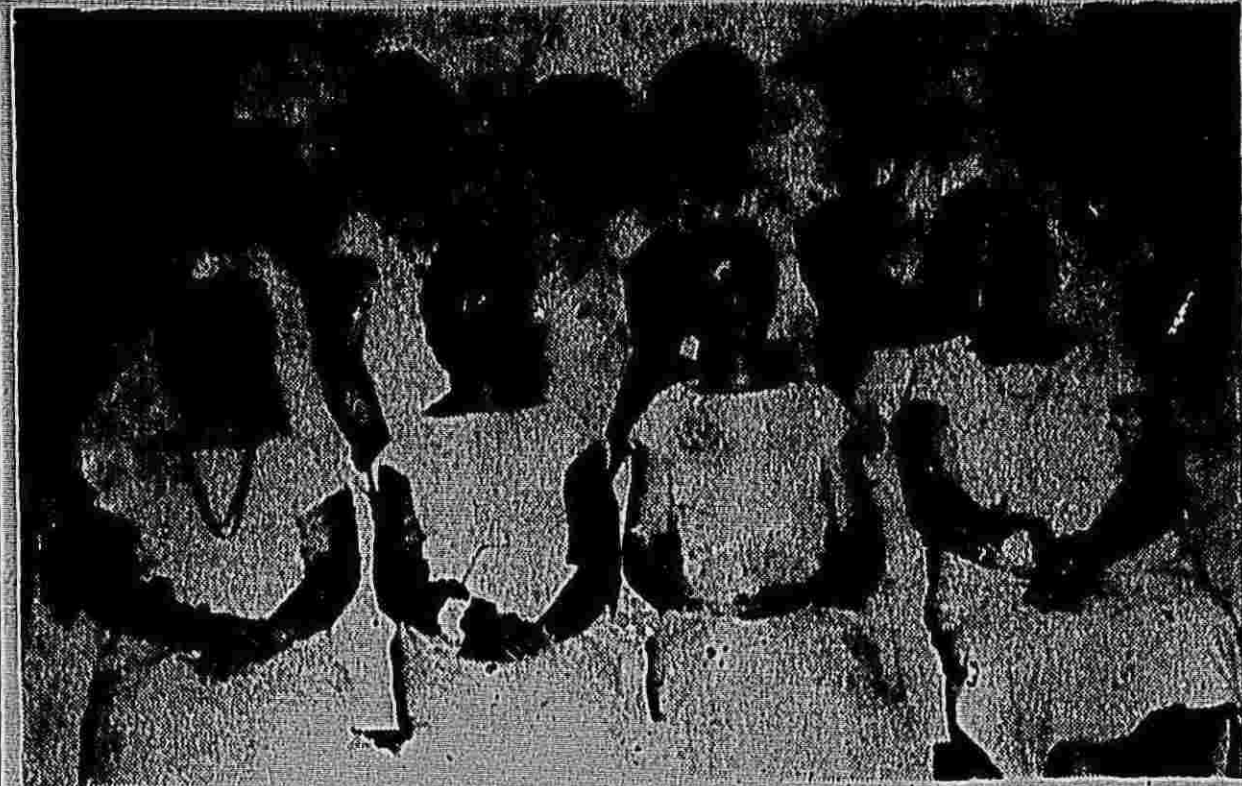

Pastor George Enderle performed the marriage service. The bride was given away by her father.

The bride is the daughter of Mr. and Mrs. Carl A. Stefan, Rt. 1, Box 28, Trevor, Wis. The groom is the son of Mr. and Mrs. Roy A. Anderson, Rt. 4, Box 387, Antioch.

The bride's gown was of

silk organza and tulle over bridal taffeta. The bodice was fashioned of re-embroidered lace appliques; the semi-controlled skirt swept into a chapel length train. The imported illusion veil was held by a crown of pearl flowers. The bride's bouquet was white roses and carnations with an orchid.

Linda Bruening was maid of honor and bridesmaids were Karen Anderson, sister of the groom, and Carsie Heimbrodt. The bride's attendants wore silhouette gowns with long overskirts.

OFFICERS OF THE WOMEN OF THE MOOSE were installed last Saturday night. Pictured are, front row, left to right, Gladys Schroeder, Jan Maloski, Rosa Roth, Evelyn Miller. Back row, Katherine Avery, Rose Marie Hadley, Elsie Toman, Gail Polson, Barbara Wetherbee, Millie Stroner, Shirley Gehle.

GOVERNOR ED PEDERSEN hands the gavel to new Senior Regent Janet Maloski, while Junior Graduate Regent Gladys Schroeder looks on.

Takes Prizes In Auxiliary 10th Dist.

Our own Del Jahnke, correspondent for this paper and Mrs. Edward Jahnke, 10th District Auxiliary, has been deluged with honors recently.

Del took first prize in the 10th District for her Unit History of the Antioch Auxiliary; 2nd prize for her Antioch Press Book, and was elected "LePetit Chapeau" (President) of Lake County Salon No. 191, Eight and Forty.

She was also recently elected Historian for Antioch Legion Auxiliary.

As most people know, Del does all her work from a wheel chair.

Enrolls At Beloit

Suraya Brook, daughter of Mr. and Mrs. William E. Brook, P. O. Box 369, Antioch, is among the 89 students from Illinois who have enrolled as undergraduates at Beloit College, Beloit, Wis., for the 1964-65 academic year which begins September 6.

She is a member of the first class under the new Beloit Plan which eliminates the traditional class designations of freshman, sophomore, junior and senior in favor of underclassman, midclassman and upperclassman.

Employees Honored

FORT SHERIDAN, Ill.—Two Antioch civilians, Mary R. Risch, Route 4, and George C. Kapell, Woodcrest Subdivision, employees at Fort Sheridan, today were recommended for Outstanding Performance Ratings.

Mary Risch works in Special Services, and Mr. Kapell in Post Supply.

and carried colonial bouquets of white tea roses and blue lilies.

Best man was Earl Higgins and ushers were Dennis Stefan, brother of the bride, and Charles Miller. Guests were seated by Richard Mertan and Thomas Bielmeier.

Kathleen Mertan was flower girl and Kenneth Mertan was ring bearer.

Special music was provided by Mrs. Darlene Carr, and solos were sung by Mrs. Elaine Fisker and Donald Weinke.

A reception for 400 guests was held at the Angels' Patio. The bride and groom will be at home after July 13 at Rt. 1, Box 28E, Trevor, after a wedding trip to California.

The bride is a graduate of Wilmet High and attended the Institute of Milwaukee. She was employed at Great Lakes.

The groom is a graduate of Central High School and is employed by the North Shore Gas Co.

Antioch American Legion Auxiliary

Mrs. Ray Rathmann, Past District Director, and Mrs. Edward Jahnke, 10th District Publicity Chairman, attended the 10th District American Legion Auxiliary Board meeting in Barrington Legion Home on June 18. A pot-luck supper preceded the meeting.

Mrs. Lucy Himens, Unit President, Mrs. Walter Hills, 1st vice president, Mrs. Warren Edwards, Junior Past president, Mrs. Edward Jahnke, Unit Historian, and Mrs. Alex Hoffman, National Security chairman, went to the 10th District meeting at the Garret-Langvad Legion Home in Winthrop Harbor on June 22. Antioch Unit was very pleasantly surprised to receive several honors that evening.

The Antioch Unit Press Book took second place in the 10th District Publicity Press Book Contest, and the history of Antioch Unit's year's activities and achievements won 1st prize in the District. Since Mrs. Jahnke is both Unit Publicity chairman and Unit historian, she felt especially honored to get these two awards.

Mrs. Himens and Mrs. Hills were then presented with small, entertaining gifts from Mrs. Albert Dorn, District Membership chairman, on Antioch Unit's attaining over 100% in membership. Many other honors and awards were given to units and chairmen from all over Lake County. The meeting was nicely concluded with cake and coffee served by the Winthrop Harbor Unit members.

The Antioch American Legion Auxiliary will hold their regular meeting on Friday, July 10, at the Antioch Legion Home.

Any Auxiliary members who desire to work at the American Legion and Auxiliary Carnival (June 30-July 5) please contact Mrs. John L. Moran, Auxiliary carnival chairman.

Named To Dean's List

GRINNELL, Ia.—Stephen L. Chandler, son of Mr. and Mrs. Emory H. Chandler, 1048 Bishop Street, Antioch, has been named to the Dean's List at Grinnell College for outstanding academic achievement during the second semester. The list is made up of approximately the top ten per cent of the entire student body.

Chandler is a 1962 graduate of Antioch Township High School.

Money may not bring happiness but it brings such a good imitation that it is often hard to tell it from the real thing.

"Where The Boys Are—"

Ann Bartley Moved To Janesville Hosp.

Mrs. Dale Bartley, Channel Lake, seriously injured in an automobile accident a couple of weeks ago, was moved to Mercy Hospital in Janesville, Wis., for surgery.

Mrs. Bartley was moved from the Lakeland Hospital in Elkhorn Tuesday. Friends report she has improved so rapidly that the surgery was possible much sooner than at first expected.

Mrs. Bartley suffered injuries to her legs which will require orthopedic surgery. She also has a broken neck.

Members of her family have asked that friends send cards to her and, if possible, visit her, to help keep up her spirits during the long hospitalization that will be necessary.

VISIT INDIAN PUEBLO

ALBUQUERQUE (Special) Mr. and Mrs. Oscar Hagen of 270 Park Ave., Antioch, visited Santo Domingo, the world's largest Indian pueblo, north of there this week.

They toured the old Santo Domingo Mission, which contains furnishings and records dating back to 1605. The venerable structure was originally built 15 years before the Pilgrims landed on Plymouth Rock.

ALTAR AND ROSARY BAKE SALE SUNDAY

St. Peter's Altar and Rosary will hold a bake sale Sunday, July 5, in the school basement.

The sale will start after the 6 a.m. mass and continue throughout the morning.

Bakery goods for the sale may be brought to the school Saturday evening from 7:30 to 9 p.m. Chairmen are Mrs. Evelyn Freund and Mrs. Elizabeth Wolters.

Typical American

A typical American is a fellow who has just driven home from an Italian movie in his German car, is sitting on Danish furniture, drinking Brazilian coffee out of an English china cup, writing a letter on Irish linen paper with a Japanese ball point pen—complaining to his congressman about too much American gold going overseas!

TACOMA, Wash.—George P. Sterbenz, son of Mr. and Mrs. George E. Sterbenz of R.R. 2, Antioch, has been promoted to airman first class in the U. S. Air Force at McChord AFB, Wash.

Airman Sterbenz is a jet engine mechanic in a unit that supports the Air Defense Command mission of defending the continental U. S. against enemy air attack.

The airman graduated from Antioch High School and attended Montana State University in Missoula. His wife, Geraldine, is the daughter of Mr. and Mrs. Charles M. Burke of 4321 W. Blismark Pl., Spokane, Wash.

VFW Convention At Springfield

Commander Goode of the Antioch VFW, and Mrs. Goode, VFW Auxiliary president, attended the annual convention of the Veterans of Foreign Wars at Springfield last week.

Opening day they attended a joint meeting and memorial service at which Governor Kerner was the principal speaker.

On Saturday, a 3-hour parade of attending posts and auxiliaries and drum and bugle corps was held.

In life as in fiction, we all look forward to a happy ending and are resentful if it turns out otherwise.

"If it doesn't have electric heat it's not a modern apartment,"

—says Mr. Thomas Burbulis of Thomas Realty, 1784 Oakton Street, Des Plaines, builder of the 36-unit Malibu Apartments.

"Budget payments of \$14 a month (slightly more for the largest apartments) pay total electric bill, including heating, ventilating and cooling, at my luxurious Malibu Apartments." Mr. Burbulis is typical of today's well-informed builders who have their facts straight about electric heat... and wouldn't use anything else. He speaks from experience, having built and operated 9 electrically heated apartment buildings.

He knows that electric heat is today's great improvement in living comfort, the one thing that will keep a new apartment modern for years to come.

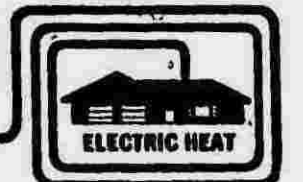

Mr. Burbulis also debunks the idea that "electric heat costs too much". He knows it doesn't, and he has the figures to prove it. What's more, electric heat is getting to be a better buy all the time... rates today are 50% lower than they were in 1958!

The beautiful Malibu Apartments is further proof that, with up-to-date builders all over Northern Illinois, there's just no substitute for all the advantages of electric heat... the only really modern heat.

And what else can you think of that costs 50% less today than it did in 1958?

Today, to assure maximum efficiency from every new electric heat installation, Public Service Company is helping building contractors from all over Northern Illinois supervise construction from the outset. For more information, call your nearest Public Service Company office.

Girl Scouts To March In Shrine Parade

The newly appointed Service Team of the Sequoyah Neighborhood Girl Scout Association had its first meeting to make plans for reorganizing troops of Lake Villa and Antioch.

Much emphasis is placed on Leader helps so that the troop leader may be free to provide a more interesting and inspiring program for girls aged 7 through 17.

One method of doing this is through a closer relationship with sponsoring groups, parents and Troop Committees.

Mrs. George Sedivec will work on the team as a Troop Consultant for the entire neighborhood.

The Troop organizers are: Mrs. Lester Surrock to work with the following schools: B. J. Hooper; Lake Villa Grade; Prince of Peace and Oakland Grade.

Mrs. Wes Camp with Antioch, St. Peter's, Grass Lake and Emmons Grade School.

Mrs. Merrill Gibson with Channel Lake School. Through education and co-operation this service team has dedicated itself to provide troops and leaders with the best possible programs to inspire girls to the highest ideals of character, conduct, patriotism and community service so that they might become happy and resourceful citizens.

An invitation is being accepted for troops to march in the Shriners' parade Aug. 22 in Antioch.

Ill. Bell Announces Rate Reductions, Better Service

Some rate reductions and the introduction of new services for residence phone users are included in tariffs filed Tuesday by Illinois Bell Telephone Co. with the Illinois Commerce Commission. It was announced by James W. Karber, commission chairman.

Karber said the proposed changes under the tariffs can result in annual customer savings of about \$5.1 million to telephone users in Illinois Bell territory. Negotiations on the new rates were initiated at the request of the commission.

Phone users in Antioch, Hickory Corners, Lake Villa, Millburn and Trevor would be affected by the following changes:

Reductions in the one-time charge for color phones, introduction of a new two-line residence service and elimination of the one-time charge on the Bell Chime, a special telephone bell with a musical tone, and of mileage charges on rural service. It approved by the commission, color phone and Bell Chime reductions will be effective immediately; others would be effective August 1.

Karber said the company also is increasing both its capital spending and its operating budgets for customer service improvements by a total of \$22 million for the 1964-65 period. Capital expenditures scheduled for this period will now total \$345 million.

Local telephone company manager R. C. Miller offered the following explanation on how the changes affect area residents:

—The reduction in the charge for a regular or one-button color telephone is from \$7.50 to \$4.00. A similar \$3.50 reduction applies to special types of color phones. The color charge for each additional phone also is reduced from \$5 to \$4.

—The \$3.50 one-time charge on the Bell Chime, a special telephone bell with a musical tone, is eliminated.

—The new residence service, called the "Two Line Family Plan," is being offered at reduced rates. It would consist of two lines, each with its own telephone number, and equipment enabling the customer to pick up either line at any of his phones. The service also includes a "hold" feature on the first line.

—Zone rate charges for customers with four-party rural service would be eliminated. This means a monthly saving of from \$1 to \$1.50 for those customers who live more than one mile outside the base rate area and who are presently paying a zone charge.

The manager said eight-party rural customers could take advantage of this rate reduction and change to four-party service for about five cents a day added to their monthly bill. This would mean improved service because there would be a maximum of only three other parties on the line instead of a possible seven.

Following are some of the service improvement projects announced by the telephone company:

Additional "after hours service centers" are being established to provide improved emergency service during night, holiday and week-end hours. They are reached by dialing repair service.

Installation of equipment to improve direct distance dialing of long distance calls in many communities is being speeded up. The equipment automatically identifies the phone from which the call is

being dialed, so the calling party does not have to give his number to an operator.

Transmission improvements on long distance lines will step up "earability." With new maintenance equipment, circuit troubles also will be detected more quickly and the quality of service will be better protected.

Replacement of older types of telephones with new instruments is being accelerated.

Operator assistance services, including those for many of the smaller communities, are being extended and improved.

Construction of underground cable routes, to replace those on poles, is being speeded up. This increases over-all dependability of telephone service.

Customers in this area who wish further information on the proposed changes in rates may call the telephone business office for assistance.

DEATH NOTICES

MRS. MARY KIEFER

Mrs. Mary Kiefer, 68 years old of Eagle Creek Subdivision near Ingleside, passed away on Friday, June 26, at 11 a.m. in Victory Memorial Hospital after a 2 week illness. She was born Sept. 26, 1895, in Vienna, Austria, and came to Chicago where she had resided from 1920 until 1959 when she moved to Ingleside. She had been spending her summers at Ingleside for over 20 years, previous to moving to the area.

She married William Kiefer on August 23, 1920 in Chicago. Mrs. Kiefer was a semi-professional magician and was a member of Magical Local No. 9 in Chicago.

Her survivors are the husband, William; one son, William Kiefer, Jr., Ingleside, and two grandchildren, William R. and Pamela Mary Kiefer, Ingleside.

Funeral services were held at 11 a.m. on Monday at the Strang Funeral Home in Antioch. Interment was in Fox Lake Cemetery.

FRANK A. RICHARDS

Mr. Frank A. Richards, 85 years old of Grub Hill Road near Lake Villa, passed away Sunday, June 28, 1964, at 6:30 a.m. in his home. He was born Dec. 22, 1878, at the farm where he had lived all of his life. He married Blanche A. Culver on June 5, 1913 at Waukegan. Mr. Richards had been a trustee of the Fox Lake Cemetery Association for over 30 years. He had been a farmer all of his life.

Survivors are his wife, Blanche; 1 sister, Miss Belle Richards, Libertyville; two nieces, Mrs. Nelson (Edna) Drom, and Miss Daisy Richards, both of Antioch.

Funeral services were held at 3:00 p.m. on Tuesday at the Strang Funeral Home in Antioch. Rev. Virgil Smith of the Lake Villa Community Methodist Church officiated at the services. Interment was in Fox Lake Cemetery.

PAUL R. STEARNS

Mr. Paul R. Stearns, 55 years old of Lake Blvd. in Chain O' Lakes Subdivision near Antioch, passed away on Thursday at 12:30 p.m. in his home after an 8½ month illness. He was born July 16, 1908 at Creston, Iowa. He moved to Chicago in 1933 and to Antioch in 1947. He married Constance Myers at Creston, Iowa, on June 22, 1930.

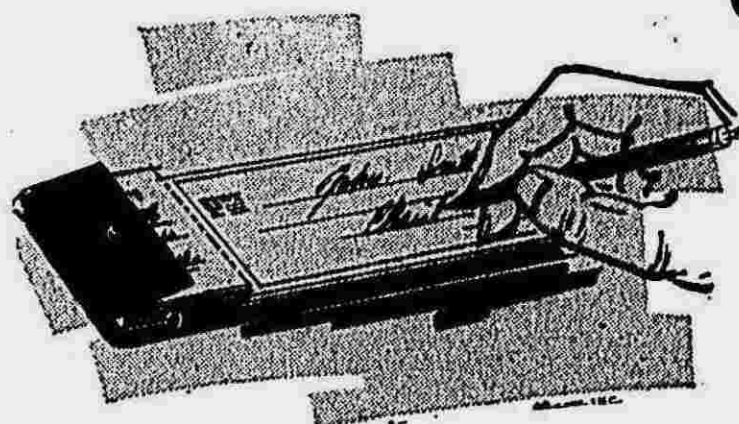

Mr. Stearns held membership in the First Christian Church in Chicago, the Metalcraft Square Club, and Ben Franklin Lodge No. 962 A. F. & A.M. (both in Chicago). He had worked until Nov. 12, 1962, when his poor health prevented him from working any longer as a Chief Specification Record Compiler for the International Harvester Company.

His survivors are his wife Constance, one son Rex Stearns, Sheridan, Ill., one daughter, Mrs. Paul (Marilyn) Heath, Spring Grove, Ill., two brothers, Donald Stearns, Waterloo, Iowa, and Bernard Stearns, Creston, Iowa, two sisters, Mrs. Elmer (Mable) Larson and Mrs. Claude (Dorothy) Flohra, both of Chicago, and four grandchildren.

Funeral services were held at 3:00 p.m. on Saturday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist church officiated at the services. Interment was in Grass Lake Cemetery.

Masonic services were held at the funeral home Friday evening.

Twilight Golf League

Things have tightened up in the Spring Valley Twilight Golf League. Only 5 1/2 points separate the first place team from the seventh place team, as of last Thursday.

The league meets every Thursday evening and plays a nine hole round. There is a possible three points in each foursome making a total of six points possible for each four man team.

Two of the three points are earned by match play and the third by the low net score in each foursome.

With five weeks of competition left the standings are:

Dragway Has Holiday Event

With the 4th of July being on a Saturday this year, another two day event will be held this coming weekend at the Great Lakes Dragway, Union Grove, Wis.

There will be two complete separate events with Saturday's races starting at 8 p.m. and Sunday's 2 p.m. Time trials start 4 hours prior to race time both days.

Many entries from other states besides Illinois and Wisconsin have been received in all divisions, stock cars, sport cars, motorcycles and the gas and nitro fuel dragster classes.

The Great Lakes Dragway is located 12 miles north of the Illinois-Wisconsin state line on highway 45 at Union Grove, Wis.

When a bore listens he ceases to become a bore to you, and you probably become a bore to him.

New Feature Steals Show At Speedway

Saturday night race fans at Waukegan Speedway saw the newly added Jalopy and Demolition cars steal the show with three tender-bending heats and a grand finale Demolition race which topped them all.

The team race saw Park City Auto Wreckers defeat their challengers handily and we understand they already have a challenging team for next Saturday night's program.

In the late model and sportsman class, the checkered flag went to Jim Cassman of Waukegan, who drove an extremely fast race in taking top position of the evening. Cassman fought bitterly with Esther, with the lead changing several times during the race.

Next Saturday night, for the weekend of July 4th, Waukegan Speedway offers a surprise event which will be added to the already jam-packed card of racing.

Reimer Wins Sunday Night 50-Lapper

Largest attendance this season witnessed the big 50 lap June Championship race, where John Reimer, of Caledonia, Wis., brought the crowd to its feet with a thundering ovation for the masterful driving it took to win this crown.

Reimer, being followed very closely by Geno Wagner, held his car right in the groove after fighting his way up from the back of the pack.

As expected, all the drivers were in to win and the 50 grueling laps took a heavy toll of damaged machinery.

Fit crews were kept busy with several broken axles and Roger Otto of Burlington towed home a very sad Pontiac engine.

Other heat winners for the Modifieds were: 1st heat, Lee Westlake; 2nd heat, Darve Neison; 3rd heat, Jim Law-

rence, and 4th heat, Geno Wagner.

In the late model and sportsman feature, Jack Ester, of Waukegan managed to avoid the many obstacles and pilot his car into the feature winner's circle. First heat race went to Al Lucas and the second heat to Harold Gutche.

GOLF

by Don Coleman, Head Pro
MIDLAND FARM COUNTRY CLUB
Wadsworth, Illinois
THE BODY PIVOT

Power in the golf swing comes from the body. It is the pivoting or turning of your hips as you move your weight from one foot to the other that sets everything—including the golf club—into motion. This is the "secret" behind the tremendous drives being made by tournament players today.

To pivot the hips properly, turn them to the right—this will bring most of your weight to your right foot.

At this point never let the right knee lock. The left knee bends slightly AS A RESULT of this movement. You are now at the top of the backswing. To complete the swing, rotate your hips to the left, shifting your weight smoothly from the right foot to the left foot. The right knee is now bent slightly—and, again AS A RESULT of this movement. During the entire process, your head should remain in a "still" position around which the swing itself revolves. At the finish of the swing your should be comfortably balanced on your left foot with your body facing the direction in which you are playing the shot.

The length and accuracy of your golf shots depend a great deal on the rhythm and smoothness of your body motion in making the swing.

Drag Strip Opens At Rockford

A complete new drag racing track called the Rockford Dragway will open this coming 4th of July weekend. It is located 15 miles southwest of Rockford on Highway 2 at the town of Byron, Ill.

It is the widest, longest and fastest custom built dragstrip in the nation. The dimensions are 100 feet wide and 1 mile long. Four dragsters in the fastest divisions can race side by side with separate timing on each one. The new dragstrip has every modern convenience available, both for spectators

and participants. Modern rest rooms, grandstand seating, all paved entrance and exit roads and pit areas. Most of the conveniences will be completed by this weekend and the remainder within the month of July.

Throughout the year, many of the nation's fastest and best known cars and drivers will be racing at this new track. Stock cars, sports cars and motorcycles as well as the all out nitro fuel, gas and jet engine dragsters will be racing here.

The opening event will be a two day meet, the 4th and 5th of July due to the 4th being on Saturday.

The dragstrip will be open every Sunday and holiday through October. All races will start at 2 p.m. with time trials at 10 a.m.

Spins & Crashes Halt Semi-Feature 3 Times At Wilmot

Bill Ansell of Milwaukee made his first appearance at the Kenosha County Speedway in 1964, a very memorable one as he won the 25 lap feature race in record time.

Jim Olett of Hales Corners led for over half the distance in the feature and then gave way to Ansell in his Chevie powered modified. Olett finished second followed by Bill Strom of Milwaukee, Fran Seamars and Jimmy Mitchell, both also of Milwaukee.

The track was in excellent condition and there had been a lot of passing behind Olett and Ansell. Seamars worked his way up from last starting spot.

In the 15 lap semi-feature, Terry Vaughn of Milwaukee again was the winner. It marked the third semi win in a row for Vaughn.

Buck Hossenberg of Kenosha was again the hard luck man as he has been for the last three weeks as he led the semi feature on each of three starts necessary before the cars would go without a spin out or a bad crash.

Hossenberg spun in the first corner while leading on the first start. Next, and again while Hossenberg was leading, Russ Sorensen of Racine flipped, making it necessary to stop the race. Sorensen was OK, but the several end over end rolls that took him over the steel guard rail on the turn, looked awfully hard to take. Behind Vaughn at the checker were Darv Nissen, Bob Anzinger, Jr. Dodd, and Harold Wade.

Heat race winners in the 10 lap events were Jess Lloyd of Kenosha, who scored his first win in 1964; Phil Schultz of Milwaukee; Steve Stevens of Lake Villa and Kenny Toulough of Milwaukee.

In the spectator races the drivers continued to put on the pressure and thrill the fans as several cars turned over and collided with one another. Harold Gutche of Kenosha and Bob Donovan of Wonder Lake won the heats and Rodger Hagie of Antioch took the feature.

In the first spectator heat,

Richard DeGroot of Union Grove spun and was hit broadside by another car and suffered a broken wrist.

WATCH OUT FOR BROKEN GLASS

A barefooted youngster or seemingly careless adult can get a severe cut by stepping on broken glass. Be on the lookout for it at all times, particularly in public picnic areas, at the beach, even in your own backyard. Watch for it around rubbish barrels in public places. If you think there may be glass in the locality, have the children wear shoes as a safety measure. Keep a first aid kit in your car for any emergency.

St. Mark Lutheran Church

The Vacation Bible School program was well attended last Tuesday evening. Tom Handall and Mark Nelson were among the 110 senior high school young people who attended the Luther League Leadership School at Dubuque, Iowa, last week.

Pastor Harold Nelson served as Bible Study Leader. A report was given by the boys at their Luther League meeting Sunday evening.

Achievement Night

The Lindenhurst Daughters 4-H Club held their annual Achievement night at the Lindenhurst Civic Center last Thursday with 29 guests attending and 25 members participating.

After demonstrations were given, a talk was given by Joan Bywell about 4-H Clubs.

Mrs. Martha Orbank, 4-H leader, also spoke about 4-H Clubs.

Mrs. Edith Westberg, 4-H leader, spoke about the girls' work being judged by former members at each meeting.

She told how she and Mrs. Orbank worked for hours studying the girls' records to determine who would receive the week's vacation at Camp Shaw-Wave-Nass-See in Kankakee, July 20 to 24. After much deliberation, Carol Orbank, a ten-year-old, first year girl was named the winner.

Since Carol is spending two months visiting her grandparents, Mr. and Mrs. Earl Wright in San Francisco, she was unable to accept her prize. Her sister, Barbie,

who is the club's mascot, accepted her ribbon with pride. Donna Anderson, a 12 year old, three year 4-H member, was runner-up. She was awarded second place ribbon and will be going to camp.

A special award was sent to Dr. Arthur Bywell of Fox Lake, naming him father of the year, because he drove his wife, Ellen, and three daughters, Joan, Linda and Robin, to every meeting last season. Mrs. Bywell assists the girls with their cooking projects.

Children's Fair Benefits

Countryside Hospital \$7.50 was raised last week, when eight children ran a fair for the benefit of the Countryside Hospital. Selling home made cupcakes, Kool-ade, slices of watermelon and fresh popcorn, telling fortunes with a "real fortune teller" in the person of Jane Flint, having a penny toss, fish pond and a grab bag with old and new toys were Jeff Flint, Craig Nicolsa, Gale and Maureen Maloney, Cathy, Cindy and Ginny Skrzynecki, all of East Thornwood Drive in Lindenhurst.

Mrs. Lillie Tysko of Chicago, grandmother of the Maloney children acted as cashier. The mothers made the cupcakes and popcorn, but the children did all the work of distributing circulars advertising their fair, setting up their booths, hanging drapes between trees for the booths of the fortune teller and fish pond and of the felling of the foods.

The children were quite proud, when they walked into the Countryside Hospital headquarters on Rtes. 183 and 132 in Lake Villa with their proceeds and were given a receipt for their money from Miss Ringa.

Wedding Reception

Mrs. Richard Mauck of 2304 Sunset Lane held the wedding reception in her home Saturday, when her sister, Gloria Jean DeNardis of Waukegan became the bride of William Salmi, also of Waukegan.

The couple were married at 12 noon high mass at St. Anastasia Church in Waukegan. Her sister, Mrs. Bonnie Zura was matron of honor and her brother, John DeNardis, served as best man. About 50 friends and relatives attended the buffet dinner. The newlyweds are on a week's vacation in Wisconsin.

The Lindenhurst Men's Club will meet Thursday evening, July 2, at 8:15 p.m. in the Civic Center. All men in Lake Villa Township are invited to attend.

The dilapidated old car wheezed up to a toll gate. "Seventy cents," said the attendant. "Sold," answered the driver wearily.

Guys & Dolls Next For PM&L

General casting for P.M. & L's next production "Guys and Dolls" has been completed and rehearsals are well under way.

Cast in major roles are Florence Babuska as Sarah, Wes Camp as Sky Masterson, and Dec D. Isa and Dr. Al Bayear as Adelaide and Nathan. Bob Oldsen plays Benny Southstreet and Ken Smouse as Nicely Nicely Johnson.

Others in the cast are Bill Sershen, Larry Landis, Gert Dunsan, Janet Feller, John Anderson and Don Beyerath. Home LaPlant will appear in the role of Lt. Brannigan of New York's finest.

Bob Thomley, Stan Sutherland, Gloria Davis and Arnold Schulmeister will appear along with Pres Reckers, Dr.

James Kopriva, Nancy Bay, (forth), Linnea Christensen, Joan Price, Julie Howell, Steve Chandler, and Charles Gohls.

The Broadway Musical fantasy is under the general direction of Ken Smouse with Josef Hunley serving as drama director, George Olisar as musical director, and Lucille Vanoff as choreographer. Production dates are July 31, August 1, 7 and 8. Tickets may be purchased from any cast member and at the Antioch News office. For special group rates for a party of 10 or more, contact 395-1333.

THURSDAY, JULY 2, 1964

Percy, Republican candidate for governor, and all state and county candidates will appear in person at the fair in Grayslake July 20 to August 2.

James A. Olson, Antioch, urged the newly formed Federation speakers' bureau to toll the importance of the Federation in raising money for the Republican election Campaign. Olson suggested speakers go to township Republican groups and appeal for more \$5 and \$10 memberships in the Federation.

A&P HAS GUARANTEED eat IN THE meat

EVEN BEFORE YOU GET THE CHARCOAL... SEE A&P'S GREAT FRESH FRYERS
SELECTION OF FRYERS, ROTISSERIE ROASTS, THICK JUICY STEAKS, PORK CHOPS, HAM STEAKS, SPICES and SAUCES—ALL PRICED RIGHT—AND ALL, RIGHT IN THE "COOK-OUT" SECTION OF THE MEAT DEPT.

We'll all agree that meat is one of the most important ingredients for any family outdoor "barbecue." So why not start with the MEATS that actually are money-back guaranteed to EAT as good as they look... A&P's "Super-Right" meats? From the nation's top packers we select the hearty, flavorful, corn-fed beef and pork from which we cut all of our special "outdoor cooking" meats. Our buyers know that if they can't be guaranteed — they're not "Super-Right" quality. They also know that when they are "Super-Right" quality, they can be fully guaranteed either for controlled indoor cooking or the less scientific "outdoor" kind. This week plan an outdoor barbecue—at A&P the EAT in the MEAT is guaranteed. Either you're completely satisfied or your money back. If that's going out on a limb, we've done it!

Scouts Learn Outdoor Crafts At Wis. Camp

A record breaking number of boys from 40 cities in the area can be promised a healthy outdoor experience that will never be forgotten.

An action-packed program includes exploring the wilderness waterways by canoe, hikes through virgin timber lands and angling in waters where fish have rarely seen half of hook before.

Time is also found for pioneer engineering, timber-craftsmanship, sports, swimming, wilderness survival skills, nature study, photography, Scout crafts, and wildlife conservation projects. Expert counseling by specially trained adult leaders is provided for all activities. The staff has the highest average age in Camp Ma-Ka-Ja-Wan's history.

The entire territory is choice locale for outdoor experience. It is rich in Indian lore and relics of the early settler logging industry. "Sugarbush" is nearby - the highest point in Wisconsin. And to the north and south are the Potawatomi and the Menominee Indian Reservations.

The North Shore Council's Camp Ma-Ka-Ja-Wan near Antigo, Wisconsin, is on the 673-acre Scout reservation which was an early-settler logging center before the turn of the century.

The first period started on June 27. The remaining periods start on July 11, July 25 and August 8.

A Medical Doctor will be on duty full time during the camping season as well as a

Protestant and Catholic Chaplain.

The Executive Board of the North Shore Area Council will visit Camp Ma-Ka-Ja-Wan on the weekend of July 31, August 1 and 2.

The Camping Committee of the Council will visit Camp Ma-Ka-Ja-Wan on the weekend of July 3, 4, and 5.

Auto Insurance

"Ever wonder why your insurance rates are so high on your auto?"

"Here is the answer... In 1963 losses for vehicle accidents in Illinois amounted to \$250 million.

"Ironically, the casualty insurance industry attributes the worsening of the automobile record in some part to a continued prosperity-type economy which brings motorists in constantly increasing numbers onto highways and streets."

—The Rochelle News.

Period Furniture

"...An excellent example of period furniture is an electric chair. It ends a sentence." —Lebanon Advertiser

Antioch Girl To Live Abroad For Summer In Experiment

Miss Karen Rose Lightsey, daughter of Mr. and Mrs. Daniel H. Lightsey of Antioch, is one of nearly 2,000 American young people who will live abroad this summer as participants in the Experiment in International Living.

Miss Lightsey will go to Great Britain on the Experiment, an independent, non-profit program in the field of international education, which now involves some 20,000 people each year.

Like all American Experimenters, Miss Lightsey will live for approximately four weeks as a member of a family in the country of her choice, and will spend another four weeks traveling in that country with 10 Americans and an equal number of young people from the "host" country.

Miss Lightsey will be a senior this fall at Carroll College, Waukesha, Wis., where she is majoring in English in preparation for teaching. She is a member of Scroll (Senior Women's Honorary), a Student Senator, and was recipient of the Junior Award.

She was graduated from Antioch Township High School in 1961, where she served on the Student Council.

She was editor of the school newspaper, and was a cheerleader.

Miss Lightsey says, "I want to be an Experimenter because I feel there is no better way to learn about the world than to study its people."

She was scheduled to embark June 29.

Last year, the Experiment sent some 1,800 American young people to live with families on five different continents. It brought more than 2,500 into the United States. Its headquarters are in Putney, Vermont; and it has offices in Boston, New York City, Washington, D. C., San Francisco, Pasadena, Texas and Paris, France.

One in a series to help you enjoy better telephone service

How to get help in any emergency

Your telephone Operator is trained to give immediate help in any emergency. Just dial "0" for Operator. At her fingertips are numbers for Fire, Police, emergency medical, ambulances and almost any other service needed. Stay on the line until you have given her all the essential information, including the number you're calling from and the location and nature of the emergency.

Prepare for Emergencies...well in advance

List all the important numbers you can think of in a personal directory, then keep it next to your telephone. Fire, Police and other emergency numbers are listed inside the front cover of the phone book.

If you can't find the numbers in an emergency—or you're not sure whom to call—just dial Operator. In the dark, just feel for the last opening in the dial.

Ask for Free Personal Directory

...a handy place to keep important numbers. Just call your Service Representative and ask for one. Or, send in the coupon below.
